(REP. SCHERER)

CINCINNATI, OHIO--U.S. REP. GORDON H. SCHERER, R-OHIO, SAID YESTERDAY HE DIDN'T THINK DR. JAMES R. KILLIAN WAS THE LOGICAL PERSON TO HEAD AN INVESTIGATION OF THE CENTRAL INTELLIGENCE AGENCY.

SCHERER, RANKING GOP MEMBER OF THE HOUSE UN-AMERICAN ACTIVITIES COMMITTEE, NOTED THAT KILLIAN ONCE MODERATED A CONVENTION PASSING RESOLUTIONS TO ABOLISH THE COMMITTEE.

HE ALSO SAID KILLIAN, SCIENTIFIC ADVISER TO FORMER PRESIDENT DWIGHT D. EISENHOWER, MODERATED ANOTHER RESOLUTION CALLING "FOR A POSITIVE STAND AGAINST UNITED STATES MILITARY INTERVENTION IN CUBA, AND A THIRD CALLED FOR CONTINUING NEGOTIATIONS FOR NUCLEAR TEST BAN TREATY."

"PATRIOTS WERE SHOCKED WHEN THE PREVIOUS REPUBLICAN ADMINISTRATION NAMED KILLIAN AS ITS SCIENTIFIC ADVISER," SCHERER TOLD A DAUGHTERS OF AMERICAN REVOLUTION FLAG DAY LUNCHEON.

"THEY WERE SHOCKED AGAINST LAST MONTH WHEN PRESIDENT KENNEDY APPOINTED KILLIAN TO HEAD A PERMANENT PRESIDENTIAL BOARD THAT WILL LOOK INTO THE OPERATIONS OF OUR CENTRAL INTELLIGENCE AGENCY WHICH HAVE BEEN QUESTIONED SINCE THE CUBAN DEBACLE."
